

PRESS RELEASE
TRAFFORD AND SALE BRIDGE CLUB

OPEN DAY. Saturday, 2nd June, 11am to 3pm.
Cadman House, Wharf Road, Sale M33 2AF (near Sale Leisure Centre)

Trafford and Sale Bridge Club are opening their doors to anyone wanting to play this exciting game, including those who are looking to play bridge at a friendly club, thinking of returning to bridge after a prolonged break or who just fancy learning how to play.

The club is inviting anyone interested to come and chat to us at our Open Day. Anyone attending will be able to see the club's comfortable facilities, watch or join in a game, or try a hand or two hand at mini bridge (bridge with simplified bidding). Refreshments will be available and members will be on hand to show how the club works, and to describe the club's education programmes and social events.

The club offers up to 10 bridge sessions a week, Monday to Friday, in the morning, afternoon and evening. Supervised sessions are held during the daytime and until September, on Wednesday evenings. At supervised sessions, learners and improvers are encouraged to ask for advice from experienced players, thus becoming better players themselves.

Our very popular new beginners' teaching programme will start in September, on Wednesday evenings.

What is Bridge?

Bridge is a trick-taking card game of skill and chance. It is played by four players who form two partnerships (sides); the partners sit opposite each other at a table. The game consists of the auction (often called bidding) and play, after which the hand is scored. Further information on the English Bridge Union and bridge can be found on the Media section of the EBU website, please view: <http://tinyurl.com/cmyl52z>

Who Plays Bridge?

Microsoft chairman Bill Gates, tennis legend Martina Navratilova, actor Omar Sharif and the world's top investor, Warren Buffett...to name just four. In this country an estimated 300,000 people play bridge regularly in hundreds of clubs in cities, towns and villages up and down the land.
